

"...Her Life"

A loved aunt, cousin and friend has departed from this earth for another land a city which hath foundations whose builder and maker is God. - Hebrews 11:10

On January 12, 1921, a baby girl was born to Pearl and Mamie Allen. They named her Mable. Mable attended school in the Grayson Hoffman Oklahoma area.

Mable met and married Joseph Mobley and to this union no children were born.

Mable served in many capacities during her life time, her special qualities was the up keep of her yard and garden which she would share with family and friends.

Mable will always be remembered for her fabulous cooking. If you ever came to her home she was always willing to prepare a meal for you.

Mable accepted Christ at an early age, and she loved to serve the Lord. Mable was a long time member of True Vine Baptist Church. She loved her pastors and members and attended church until her health began to fail.

Those gone on before her are her parents, husband, Joseph Mobley; six sisters and three brothers.

Those awaiting to join her, she leaves in God's care, many nieces, nephews, cousins and friends.
