

## *Obituary*

Larry Dean Wilson was born to Bertha Wilson and Clifford Bragg on February 9th, 1952, in Oklahoma City, Oklahoma.

As a child he attended Orchard Park and Enid State Schools. In his later years, Larry lived at home with his (mother) Bertha, (brother) Wayne, and his aunt Leola, along with the two furry family members Stewie and Paris.

If you've had the opportunity to meet our brother Larry, you would know he loved people, when he met you for the first time he would shake your hand, if he really liked you he would give you a warm and loving hug.

If you knew Larry, there were a few things in life he loved, coffee, cigarettes and collecting news papers.

Larry leaves behind a host of family and friends, his brother Wayne; sisters, Tama and Christie; nieces and nephews.
