“If Tears Could Build A Stairway”

*If tears could build a stairway - And memories were a land
We would walk right up to Heaven - And bring you back again.
No farewell words were spoken - No time to say goodbye
You were gone before we knew it - And only God knows why.
Our hearts still ache in sadness - And secret tears still flow
What it meant to lose you - No one will ever know.
But now we know you want us - To mourn for you no more
To remember all the happy times - Life still has much in store.
Since you'll never be forgotten - We pledge to you today, A
hallowed place within our hearts-Is where you will always stay.*
