Acknowledgement

Perhaps you sent a lovely card or sat quietly in a chair; Perhaps you sent a floral spray,
if so, we saw it there. Perhaps you spoke the kindest words, as any friend could say;

Perhaps you were not there at all, just thought of us that day.

Whatever you did to console our hearts, We thank you so much whatever the part.

Thank you From the Family

**Death is that state in which one exist
 Only in the memory of others.
 Which is why it is not an end.
 No good byes
 Just good memories.**

Well Done

4 And God shall wipe away all tears from their eyes; and there shall be no more death, neither sorrow, nor crying, neither shall there be any more pain: for the former things are passed away.

Revelation 21:4

Letter to Grandma,

Let's start with a phone call to Juanita Amanda , when she answers the phone saying " Hello" in her sweet magical voice. It brightens your day putting a smile in the atmosphere.

Yes, I just used the first part of her name to see the family smile! By the greatness of her spirit and sweet-sounding voice.

Ms. Long how can we make the sunshine through the clouds that's passing over us now?

We can never erase the memories of your amazing gift to push forward, no matter how tough the terrain got in life. Even, when you got an unwanted surprise that weakened the Temple of your life. Shutting down and removing the things we love the most in life.

So thanks for teaching the basics of life, by keeping my plate seasoned just right.

"See you in the next life"
