Once Again

When I'm feeling desperate and lonely
I search for your face in a cloud,
And though my lips may be silent,
My heart cries out ever so loud.

How can it be that you have left me?
Are you safe in heaven above?
Has God in his goodness embraced you
With his sweet, everlasting love?

Do you know that I yearn to hold you?
Can you hear me repeating your name?
Can you see that I'm lost without you...
That nothing...no nothing's the same?

In time will I be more accepting?
Will my poor heart begin to mend?
And will I find peace in believing
I'll be with you once again?

I'll be with you once again!

A Message To Mother

Good-bye Mama,
The Lord has called you home;
Don't worry Mother.
For the journey is not long...
Don't be afraid because you're not alone...
The Lord's angels are waiting
To sing you a sweet song...
When you reach the gates
To the Kingdom above,
He will be there to greet you with love...
There will be old and new friends
And loved ones you knew
To guide and comfort you.
There will be peace
That you have never known...
So rest easy Mother
You finally made it home.
