Reflections of Life

Glenn Morris Miller was born on December 26, 1959 to Morris Herman Miller and Anella Louisa Miller in Christiansted, St. Croix, Virgin Islands. At a young age, his family relocated to New York City where he was raised in the Bronx Borough. He was the third son of five children. He graduated from Dewitt Clinton High School in Bronx, NY. Following high school, Glenn started his post-secondary education at Northern Oklahoma College before transferring to Oklahoma City University.

After graduating from school, Glenn worked at Oklahoma Memorial Hospital where he met his wife, Cynthia Conrad in 1980. For the past three years Glenn was employed at Joe Cooper Auto Group in Yukon, OK as a Lot Manager. Not only did he excel at his job, he also enjoyed the opportunity to meet so many different people.

Glenn enjoyed cooking and sports. He was also a devoted fan of the Dallas Cowboys. In his pastime, he would often spend time playing billiards at the Tree Lounge, where he forged a host of special friendships.

Glenn's magnetic personality, warm spirit, and bright smile drew people to him. He found pleasure in entertaining family/friends and had a way of making people feel special. He valued family and made time to help anyone during their time of need. One of his main goals in life was to make sure that everyone he encountered felt loved and appreciated.

On November 20, 2020, Glenn unexpectedly passed away surrounded by family. In his death, he is survived by his devoted wife of 40 years, Cynthia Conrad-Miller; son, Brandon Miller; son, Cedric Conrad; and special niece, Brittany Williams. He is also survived by his siblings, Tyrone Michael (Hilary); Theodore Michael (Shirley); Stephen Mathurin; Sandy Miller-Ferguson (Shannon) and a host of nieces, nephews, and friends. Glenn was preceded in death by his father, Morris Herman Miller; mother, Anella Louisa Miller; and sister-in-law Veronica Michael.
