Obituary

Gene Lake was born in Navasota Texas on 4-30-1955. He was part of a large family of seven (7) children in which he ranked number four. He was a son, brother, uncle and had one of the biggest hearts you will ever find, he would continue to give even when he had nothing left to give. He grew up in Clinton, OK. Once he decided he wanted to accomplish something he would work long and hard until he was successful. He taught himself how to play guitar and then managed to master Spanish which he had always wanted to speak fluently. He was genuine to his core, hardworking and caring. Gene faced many challenges and obstacles in his past, but fought hard to overcome them.

Giving back to those that had helped him through trying times was important to him, therefore he volunteered at his local Goodwill and Salvation Army in Lawton, OK.

While Gene is now resting in God's arms where there is no more pain, he is proceeded in death by his mother Evelyn Lake Stevenson, Father Sherman Lake, Sr. And sister Linda Faye Lake Bell. Surviving sibling are Lois V. Lake Pearson, Sherman Lake Jr, Gail M. Lake Brooks, John Michael Lake, Randy L. Lake and numerous nieces and nephews. Gene loved and cherished our Mother and oldest sister Linda and never forgot the lessons that our Mother taught all of us and would credit her and our departed sister with never giving up on him. He admired our youngest brother Randy Lake and always wondered where Randy acquired his business sense and said that Randy had always been there for him!

We will miss the long talks, cowboy boots in the summer, your strong spirit, your compassion, and inspiration to others to never give up. We will cherish all the memories that we had with you.

One of Gene's favorite passages from the Bible was Matthew 19:26 "Jesus looked at them and said with man this is impossible, but with God all things are possible."

We are all works in progress! Rest In Peace our brother, your work is done!
