POEM FOR PAPA

These special memories of you will always bring a smile.

If only I could have you back for a little while longer so we can sit
and talk again, just like we used to do.

You always meant so very much and always will,
due to the fact that you're no longer here will always cause me pain.

You never said I'm leaving, you never said good-bye,
You were gone before we knew it and only God knows why.
