Acknowledgment

Perhaps you sent a lovely card or sat quietly in a chair.

Perhaps you sent a floral spray, if so, we saw it there.

Perhaps you spoke the kindness words, as any friend could say.

Perhaps you were not there at all, just thought of us that day.

Whatever you did to console our hearts,
We thank you so much, whatever the part.

** Friend Indeed **

- * You took my hand and brighten my day
- * You called just to say a loving word today
- * You were there when no one else cared
- * You wiped the tears away many times and showed me how to be a lady
- * You cooked a meal with love and care
- * And you loved me with the love that made me who I am today

Thank You for being my Best Friend!

Love,
Nikki (2022)

Romans 27-17: Iron sharpens iron, and one man sharpens and her.

A Mother, Grandmother, an Aunt, a Sister, and greater than a friend.

Just to let you know when you got your wings; earth and heaven rejoiced and all we could do is sing.

Thank you for pouring into us, our cup and our families cup runneth over with love from you.

For iron sharpens iron and that's what you taught us to do.

In many of days you will now watch over us.

Making it through these days will be tough. But stop that crying as you told us to do.

You dance on street of gold as God promised us. We would all one day do. No more hurt, no more pain, but we carry on proudly rejoicing in God's name.

We Love You, Stephenie Marie Lacey

I'm Free

Don't grieve for me, for now I'm free
I'm following the path God laid for me.
I took His hand when I heard Him call,
I turned my back and left it all.
I could not stay another day
To laugh, to love, to work or play
Tasks left undone must stay that way,
I found that peace, at the close of day.
If my parting has left a void
Then fill it with memories of joy,
A friendship shared, a laugh, a kiss,
All these things, I too will miss.
Be not burdened with times of sorrow,
I wish you the sunshine of tomorrow,
My life's been full, I've savored much;
Good friends, good times, a loved one's touch.
Perhaps my time seemed all too brief,
Don't lengthen it now with undue grief.
Lift up your heart and share with me,
God wanted me now, He set me free.
