Milton T. (Mil) was born on January 16, 1946, in Elm City, North Carolina. He was the baby boy of Willey Dearest Neal and Sally Isom-Neal. They preceded him in death as did four brothers: Willey T, Richard, Boise J, and Willie Lee and four sisters: Lorraine, Diane, Lily Pearl, and Sally Ruth.

After graduating from Fredrick Douglas Highschool, Milton enlisted in the United States Army to begin a distinguished twenty-six-year career. His first duty station was Fort Knox, Kentucky. During his time in the military, Milton mastered many different skills ranging from automotive mechanic to maintenance supervisor.

Milton is survived by his wife of fifty-five years, Carolyn Ann Neal. Their union brought seven beautiful children into the world: Stephanie Spencer, Deborah Neal, Denise Roby and husband, Ennis, Milton Neal Jr., Tyrone Neal. Brian Neal and wife Nicole, and Ashley Neal, twenty-five grandchildren, and nineteen great-grandchildren.

Milton is also survived by eight siblings: Marvis, Evelyn, Lily Rose, Willie, James, Dorothy, Cynthia, and Mona-Lisa, along with a host of nieces, nephews, and extended family members.

Milton retired from the military in 1983, with Fort Sill being his final duty station. During his retirement, Milton loved watching his classic television shows, playing cards, traveling back home to North Carolina, going to the casino, and spending time with his loving family until he was called home to be with his heavenly Father on October 26, 2022.
