

I Love you Stephen, My Best Friend, My Brother, My Cousin.

*Sidney*

I Love you and I'm going to miss you, I enjoyed our last dance even though I lost horribly. I still had fun.

*Lucas*

I had a great time with you this past weekend. I will miss you, but I know you are in a better place now. I had a lot of fun hanging out with you and I will miss that. I love you!

*Lay Lay*

I would like to say, I love you so much, Stephen, we were day one. You were my buddy, my pal, you and me were pretty much brothers. It's really sad to hear that you are gone and it hurts my heart. I had plans with you. Stephen, we were going places. Man I like going out with you. There isn't any promises for tomorrow, and we can't be sad. Stephen is in a better place now. He is with his brother, and I would be happy to see my brother, which I haven't forgot about my other, Paul Saxton. He was my buddy too. I have so many memories with you, your birthday, at top, golf, staying at your house, eating gross food in the backyard, and going to the movies. We had so many memories. I love you, Stephen. You are going to be missed. Me, Malay, Lucas, and Sydney will take care of your mom, aunt Shavon.

Rest in peace love you,  
cousin, Pal friend, brother,

# Stephen Deral Watley

On November 11, 2005 a beautiful baby boy Stephen Deral Watley was born to Steve & Shavon Watley in Oklahoma City, Oklahoma.

Stephen was a Junior in attendance at Edmond Sante Fe High School Class of 2024. He was a very studious student making straight A's and on his pathway to college and a successful future!

Stephen enjoyed hanging out with his friends, and cousins. He relished in playing video games on his PS5. Fort-nite being the main one keeping him up for hours! He loved watching Marvel Universe Super Hero's movies and shows. His favorite character was the black spider man Miles Morales!

Stephen was very funny, smart, witty, respectful, a hard worker, loving, and very kind and giving. Stephen will be forever remembered by his beautiful head of locs and his smile. His spirit was contagious and enduring.

On October 26, 2022 at 11:50 am The Lord called Stephen home. He does not have to worry anymore about asthma attacks. He has no worries, or pain, or suffering to experience in this world. His purpose and God's will has been fulfilled.

Stephen was preceded in death by his little brother Saxton Watley, his grandmothers Brenda McNack, and Virginia Watley and grandfather Earnest Watley.

He leaves to cherish his memories his mother- Shavon Watley, father- Steven Watley, great grand mother- Edna McNack, grandfather- Stan McNack, sisters- Brittney Reece, and Devin Watley, niece- Matti Reece, and nephew- DJ Reece. Aunties: Tealecea McNack, Sonya McNack, Tammy Ray, Sherri Boyd, Mary Gates, Earnestine Ellis, Linda Fisher, Gail Bruner, Deborah Rice, Jackie Huff, and Pam Bell. ## Look For Me In Rainbows

Time for me to go now, I won't say goodbye  
Look for me in rainbows, way up in the sky.  
In the morning sunrise when all the world is new  
Just look for me and love me  
As you know I loved you.

Time for me to go now, I won't say goodbye  
Look for me in rainbows, way up in the sky  
In the evening sunset,  
When all the world is through  
Just look for me and love me  
And I'll be close to you.

It won't be forever, the day will come and then  
My loving arms will hold you  
When we meet again.

Time for us to part now, we won't say goodbye;  
Look for me in the rainbows, shinning in the sky  
Every waking moment and  
All your whole life through  
Just look for me and love me,  
As you know I loved you.

Just wish me near to you  
And I'll be there with you.

## Until we all meet again....

My soul is wrapped with grief, wishing that I had one more day  
One more time one more week  
A lot more made Kodak memories

It's been so hard for me  
You had such a beautiful spirit that touched so many  
I know that you are in a better place, you did a great job ran a good race

God has you now and I know that you are looking down with  
your beautiful wonderful smile You will be truly missed by many  
We will never forget the way you would just dance  
I know you and your little brother are now again holding hands

Stephen and Saxton we will hold you in our hearts.
