

I Am Learning How To Live

I am learning how to live
In a new way since that day
You were taken away.

I am learning how to live
With the things left unsaid
Knowing I got to say them
With every tear that I shed.

I am learning how to live
By embracing the pain
Knowing that you live on
Through the memories that remain.

I am learning how to live
Knowing I will never again see your face
And I have peace knowing
You're in a better place.

I am learning how to live
Knowing you're in God's care
It gives me the strength to move on
And makes the pain much easier to bear.

To My Sister

I'm blessed to call you sister,
I also call you friend;
You've loved me unconditionally,
And stood through thick and thin.

You've shared my joys and sorrows,
My laughter and my tears.
You've been my inspiration,
As we grew up through the years.

When we were little children
We laughed and played together;
Then growing up you stood by me,
Through good and stormy weather.

There's something God has given us,
That's more than family;
He's placed a love for you, my Sister,
Deep down in the heart of me.
